Falsification of a certification/licensing renewal may result in loss of certification/licensing and prosecution.

Anyone who witnesses or knows of a falsification of a renewal, must report it to the DHS Certification Compliance Office.

It is **STRONGLY** recommended you submit your continuing education hours 30 days prior to your renewal date.

If renewing online, make sure your paperwork is completed and signed prior to submitting it online. If you are audited, you will only have **3** business days to send in completed and signed paperwork.

If you have any questions contact Kerry Hershberger or John McMillen.

You can check your certification at:

*As part of monthly quality improvements meetings, four hours of audit and review are generally provided—two hours at each sponsoring hospital—for a total of 48 hours annually. Audit and review is conducted by an SJCEMSC Medical Director or, occasionally, by an EMS Coordinator. AEMTs and Paramedics are required to attend a minimum of **six** hours annually, based on their personal deadlines for the accumulation of CE hours necessary for state recertification.*
